Downloading .pdf forms from the *osp.msstate.edu site*

Mozilla Firefox

Quick instruction on how to download the .pdf version of the IAS:

1. Open our site osp.mstate.edu in Firefox.
2. Open the hamburger option in the extreme top right hand corner of Firefox (Open Application Menu) and select Settings.
3. Scroll down to Files and Applications and select the Application Content Type Portable Document Type (PDF).
4. In the Action column click the drop down and choose how you want Firefox to handle the PDF. Select ***save file*** and this will allow you to download the file to your computer.
5. Once your selection is clicked it will save your choice. Go back to the link on the OSP site and the IAS should download as normal.

Google Chrome

1. Open our site osp.mstate.edu in Chrome.
2. Open the customize and control Google Chrome option in the extreme top right hand corner of Chrome (three dots) and select Settings.
3. On the left hand menu, choose Privacy & Security.
4. In the Privacy & Security section, select the Site Settings.
5. In the Site Settings list, scroll to the bottom and choose Additional Content Setting then PDF Documents.
6. Click the white radio button and turn on to ***download PDF instead of automatically opening them.***
7. Once your selection is clicked it will save your choice. Go back to the link on the OSP site and the IAS should download as normal.

Microsoft Edge

1. Open our site osp.mstate.edu in Edge.
2. Open the settings and more option in the extreme top right hand corner of Edge (three dots) and select Settings.
3. On the left hand menu, choose Cookies & Site Permissions.
4. In the Cookies & Site Permissions section, scroll down to the section All permissions.
5. In the All permissions list, scroll down and click PDF Documents.
6. Click the white radio button and turn on to ***Always download .pdf files.***
7. Once your selection is clicked it will save your choice. Go back to the link on the OSP site and the IAS should download as normal.
